

## This Week's New Products: Barista-Designed Oat Milk, Fruity Summer Flavors and Brisk's First Sparkling Tea

### Koita

Italian non-dairy milk brand Koita's new Organic Oat Barista Plant-Based Milk was crafted to help consumers "elevate their at-home coffee experience." The shelf-stable milk is made with just three ingredients: organic Italian oats, Italian spring water and organic sunflower oil and was formulated for long-lasting, smooth foam. Organic Oat Barista joins Koita's five other varieties, including Organic Almond, Organic Coconut, Organic Almond Coconut, Oat and Rice. The full Koita line is available for a suggested retail price of \$5.49 per 1-liter pack. For more information, visit [koita.com](https://www.koita.com).
